New promotion in Jávea: This beautiful Residential of 15 brand new townhouses, six are already built. The tranquility of this location, its space and details provide the highest level of well-being. It is located in a quiet area of Jávea, but without losing the advantages of being next to the town and only five minutes from the Primer Montañar beach, with all kinds of catering services and leisure. Also close to the bus station and Lidl, Mercadona, Supercor, Carrefour and Aldi supermarkets, as well as other commercial establishments of interest. The houses are distributed with access on the ground level, where we find a spacious living room, kitchen with an outdoor bar that connects with the private garden area, as well as the living room. There is a bathroom on this level also. The first floor is accessed via a set of stairs, where we find 3 double bedrooms, two of which share a full bathroom and the master bedroom with a glazed exterior balcony has an en suite bathroom. All bedrooms have fitted wardrobes dressed inside with glass doors. Going up a further flight of stairs, we find a large room with access to two roof terraces with Montgó and countryside views. This room can be used as the fourth bedroom, entertainment room or further sitting room.
