The artful design of this new modern project is breathtaking and the quality is absolutely first class! Only the best materials will be used which emphasize the exquisite taste of the construction and create a masterpiece of elegance! This is a stunning property in an equally fascinating location in Altea Hills, which stands out by the fantastic view over the sea, as well as the imposing mountain chain and being situated in a quiet location! The technical equipment leaves nothing to be desired

Extras Alarm system, automatic roller blinds, electric gate, elevator, garden irrigation , gated security complex, good access and infrastructure, gym, sauna, security windows, wine cellar, lift
