

Elegant flat in the heart of Pla Del Remei, located in an emblematic building with a lift. This property has been recently refurbished and is ready to move into, which means that you will have the opportunity to enjoy all the modern and functional comforts and finishes. The property has four bedrooms that offer a comfortable and private space and two complete bathrooms. A highlight of this property is the balconies that adorn the property, providing additional space for unbeatable views as well as ample natural light throughout the day. Not only will you enjoy a modern and bright interior, but you will also have the opportunity to live in the emblematic neighbourhood of Pla del Remei. This area is known for its charm and elegance, with a wide variety of services, shops, restaurants and the Rio Turia park just a few metres away from the property. The area where the property is located is nestled a few steps from the Mercado de Colón in the exclusive neighbourhood of Pla del Remei, in the Eixample district, noted for the large number of noble buildings with magnificent architecture, as well as the large number of leisure and hospitality services, such as theatres, museums, monuments, the best international brand shops, bars and restaurants, located in the nerve centre of Valencia, it has public transport connections to reach any corner of the city. Do not hesitate to contact Found Valencia and we will be delighted to assist you.
