We are glad to present to the market this high quality and spacious property, with 406 m2 in Venta del Moro, Valencia. The property spreads over 3 floors. There are 2 completely independent accommodations, with 2 dining rooms (1 per floor), 8 bedrooms en suite (4 per floor) with 8 large bathrooms (6 of them with hydromassage shower), and all them with large built-in wardrobes. We also find 2 fully furnished kitchens (1 per floor). There is also a laundry area on the ground floor of the building, that can also be used as a garage and a space for bunk beds with capacity for 14 people. The property is plenty of light and in a prominent area of the town, with spectacular views. This property is located in a natural green touristic area, in the Hoces del Cabriel Natural Park. The property is used for vacation rental, in a unique environment, with perfect access to adventure routes and activities that take place in the area. It is located in a well-connected area, very close to the bus stop and very close to the school, the town's shops, the park and green areas. The property is fully furnished and equipped, in excellent condition, with a rustic decoration, central heating, aluminum interior and exterior carpentry in wood imitation, and double glaze. Viewing highly recommended.
